

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ADJUSTMENT OF RATES OF AT&T)	
COMMUNICATION OF THE SOUTH CENTRAL)	CASE NO. 10313
STATES, INC. (MEGACOM SERVICE))	

O R D E R

On July 12, 1988, AT&T Communications of the South Central States, Inc. ("AT&T"), filed an application to reduce rates for its Megacom service offering. Along with the application AT&T filed a Petition for Confidential Treatment of certain exhibits containing proprietary information. No petitions to intervene or objections to the rate reduction have been filed.

The Commission, having considered the application and being advised, is of the opinion and finds that:

1. AT&T's application to reduce rates for its Megacom service offering should be approved as filed, effective August 1, 1988, pursuant to KRS 278.180, which authorizes the Commission to prescribe rate reductions on less than 30 days notice.

2. AT&T's Petition for Confidential Treatment of its revenue analysis and cost analysis should be granted, as the Petition is consistent with the provision of 807 KAR 5:001, Section 7, Confidential Information not Publicly Available.

3. AT&T should file revised tariff pages to effect this decision within 30 days from the date of this Order.

Accordingly, the above findings are HEREBY ORDERED.

Done at Frankfort, Kentucky, this 1st day of August, 1988.
